AGENDA ITEM #6

REVIEW OF PROPOSED DURKIN DEVELOPMENT WITHIN THE RPZ OF RUNWAY 06

Background

Airport staff received a letter dated October 23, 2007, from the State Department of Transportation objecting to the Durkin Property development because the development lies in the RPZ of Runway 06. The letter is very comprehensive and discusses the department's concern with the project with respect to safety and noise. It is County Airport's determination that the proposed Durkin project is incompatible with current FAA regulations, State regulations and the Airport Layout Plan.

Recommended Motion

"The Palomar Airport Advisory Committee objects to the proposed Durkin Property Development which lies within the Runway 06 protection zone at Palomar Airport."
